

## **Coaching Session Self-Assessment**

Name of Client:				
Session Date:				
What did I do really w	ell in the coachi	ing session?		

What didn't work or go as well as I would have liked?				
What is my intuition telling me about the this client session and previous ones?	nis client? What patterns/themes am I seeing between			
What is my intuition telling me about the this client session and previous ones?	nis client? What patterns/themes am I seeing between			
What is my intuition telling me about the this client session and previous ones?	nis client? What patterns/themes am I seeing between

What is my intuition telling me about the this client session and previous ones?	nis client? What patterns/themes am I seeing between			

What questions could I have asked? What are some questions I could have asked differently?
What do I want to work on skills-wise, or shift inside myself for my next session with this client?
