

Coaching Session Self-Assessment

Name of Client:		
Session Date:		
What did I do really well in the coach	ing session?	

What didn't work or go as well as I would have liked?		
What is my intuition telling me about this client? What patterns/themes am I seeing between this client session and previous ones?		
What is my intuition telling me about this client? What patterns/themes am I seeing between this client session and previous ones?		
What is my intuition telling me about this client? What patterns/themes am I seeing between this client session and previous ones?		
What is my intuition telling me about this client? What patterns/themes am I seeing between this client session and previous ones?
